**Scientific Forum and Proposers' Day**

**24-26 October, Budapest**

[www.mitip.org](http://www.mitip.org)

This year, the **Scientific Forum** of the conference is extended with a **Proposer's Day** with special track of sessions where participants can learn of regional and international collaboration opportunities (upcoming EU, regional and bilateral country-specific calls), share project proposal ideas, and find the right partners for future collaborative work (for further details please see the *preliminary program* at [www.mitip.org](http://www.mitip.org)).

Highlights of the 14th edition of the International Conference on **The Modern Information Technology in the Innovation Processes of the Industrial Enterprises** (MITIP2012):

25-26 October: Share your work in one of the conference's scientific tracks.

Accepted papers will be published in the **Proceedings** of the Conference.

Authors of selected best papers will be invited to submit extended versions of their papers for publication in Special issues/Special sections of prestigious scientific **Journals** (official announcement of the Journals will be done by April 30).

Due-date for conference paper submission: 15 May

Acceptance information: 30 June

24 October: **find out about calls** and funding opportunities, **meet the invited EU representatives** and form project consortia.
